

# GHOST HILL

---

## CELLARS

### 2012 Bayliss-Bower Pinot Noir

#### Winemaking Notes

This is our traditional blend of four clones of Pinot Noir; 45% Pommard, 20% Dijon Clone 777, 20% Dijon Clone 114 and 15% Wädenswil. The Pommard clone continues to be the foundation of our estate wine. The 2012 vintage shows an excellent picture of the elegance of our older vines blended with the warmth of the vintage. The 2012 is lush and round and will be a real crowd pleaser.
