

GHOST HILL

CELLARS

2013 Bayliss-Bower Pinot Noir

Winemaking Notes

This is our traditional blend of four clones of Pinot Noir; 45% Pommard, 20% Dijon Clone 777, 20% Dijon Clone 114 and 15% Wädenswil. The Pommard clone continues to be the foundation of our estate wine. 2013 vintage is an excellent picture of the elegance of our older vines blended with this vintage. The 2013 is elegant, floral, high-toned and will be a real crowd pleaser.
